

HIDDEN LEAF

# OUR VISION & MISSION

---

**OUR STRATEGY STRIVES TO  
REACH OUT TO ALL  
LEARNERS AROUND THE  
NATION.**

**EMPOWER EVERYONE, BOTH  
TECHNICAL AS WELL AS  
NON-TECHNICAL PEOPLE.**

# PROBLEM

**LACK OF CROSS-FUNCTIONAL  
RESEARCH BETWEEN VARIOUS  
UNIVERSITIES/COLLEGES.**

**LACK OF PROJECT-BASED LEARNING!  
STUDENTS FROM A VARIETY OF  
UNIVERSITIES ARE UNAWARE OF  
PROJECT-BASED LEARNING.**

**NO PROJECT PLAGIARISM CHECKER**

**NO SINGLE-GO SOLUTION FOR  
NON-TECHNICAL PROJECTS AND  
HARDWARE OPEN SOURCING.**

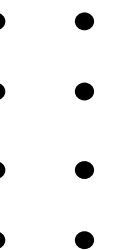

# SOLUTION

**We came up with a web app and a mobile app for an Online integrated platform for projects taken up by the students of various universities/colleges.**

**We embrace both software and hardware open sourcing. We are highlighting both technical and non-technical projects**

**We provide the project dashboard for project details(live link and other details) for contributions. Colleges/universities can showcase the projects via their dashboard**

# FEATURES

Project plagiarism  
Checker

Project Progress  
Monitoring

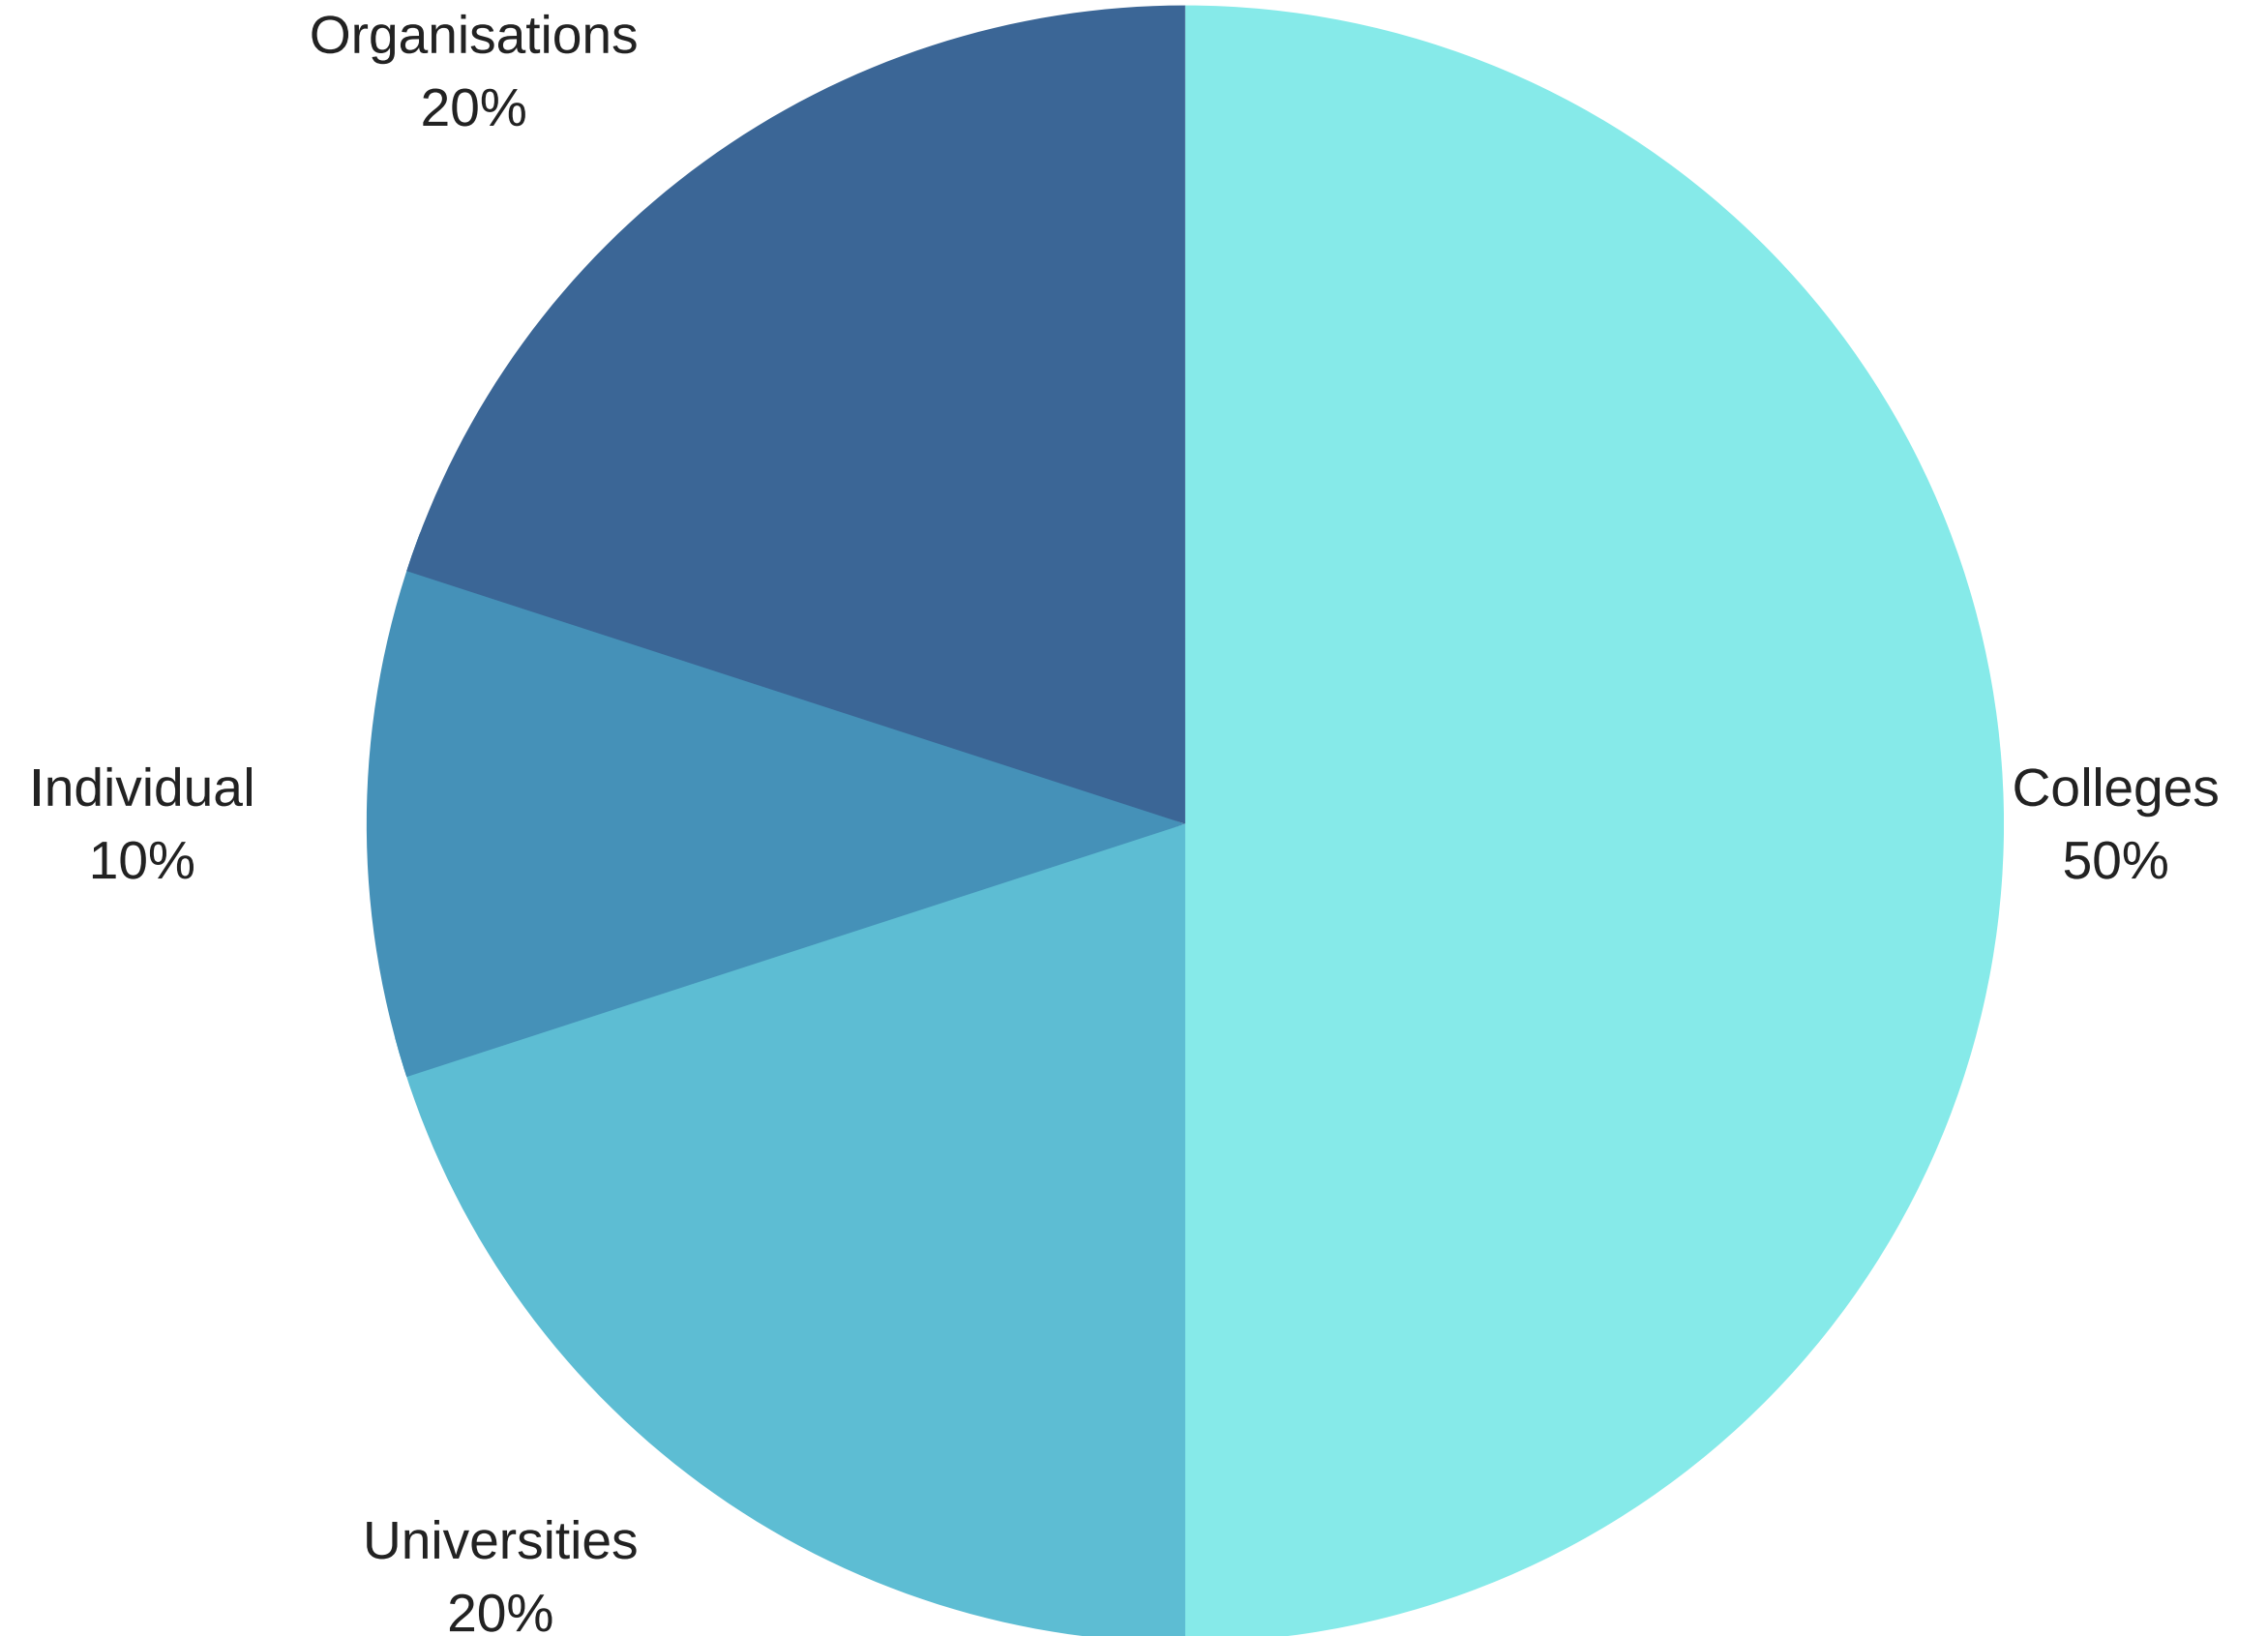

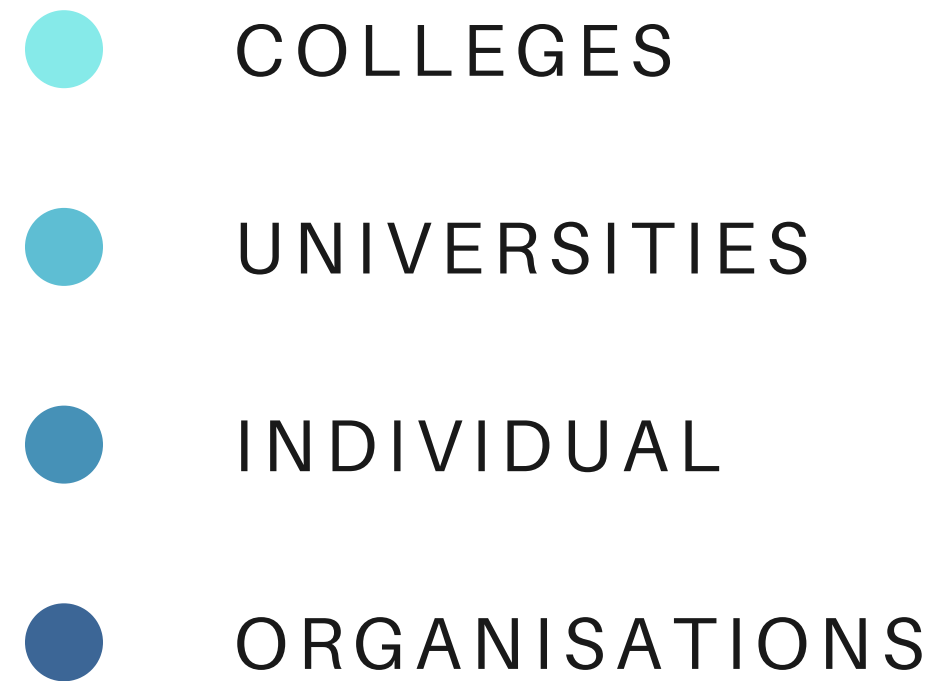

Individual  
Recognition

Community  
Engagement

Filtering Project
